

It is with great sadness and deep regret that we hereby announce the passing of Rui Pedro Borges Santos.

Co-Founder and Board Member of United Resins S.A., a dedicated professional recognized by his peers, customers, suppliers and employees as a reference in the industry, he always fostered Respect, Integrity and Friendship throughout his life.

A beloved son, husband and father, he leaves a legacy of Perseverance, Respect and Dedication for his family and for all those who accompanied him throughout his career.

Recognized for his constant Optimism, Resilience, Ability to fight and Overcome the challenges that arose, he suddenly passed away much earlier than his time.

It is this legacy, based on respect for others and a spirit of sacrifice for more and better, that the members of the United Resins family will honor and strengthen daily.

May his soul rest in peace and may God help his wife, children and family to overcome such an important loss.
